Eric Chang

333 South Devon Ave,
Wayne PA 19087
(484) - 844 - 0177
Email: exc369@case.edu

Objective:

A summer internship to utilize my problem-solving skills in order to further develop my abilities in the computer science field.

Education:

Case Western Reserve University, Cleveland, OH

Bachelor of Science in Computer Science, Expected **May 2022**

Relevant Coursework: Data Structures, Programming in Java, Logic Design and Computer Org., Discrete Mathematics

Skills:

Languages: Java, Swift, Python, R, Conversational Mandarin and French

Operating Systems: MacOS, Windows, Linux

Projects:

- **Bejeweled Java Game**
    - Used Java button GUI to create a candy crush clone where random new blocks are dropped from the top as they are cleared by matching 3 or more blocks in a row.
- **The Problem Solver**
    - Used Java Tesseract OCR to convert image to text, which then googled relevant matches online..

Work Experience:

September 2017 - June 2018   12 Hours/Week
Anthony's Coal Fired Pizza – *Host/Busser*
Worked as a team with management, kitchen, and wait staff to ensure smooth day-to-day operations of the restaurant. Greeted and led patrons to their tables as they entered the store.
Managed restaurant wait-list when tables were full. Prepared tables so they were presentable and clean for the next customers.

Extracurricular Activities:

Dhamakapella – *Music Director*
Premiere competitive South Asian fusion A Cappella group. Competes across the country in ICCA circuit as well as South Asian fusion circuit. Performs on and off campus for different events and gigs.
